Comment on FR Doc # 2015-08831

Submitter Information

Name: Allen Utzig

General Comment

I believe that language in these proposed rules could prevent me from managing the risks of my IRA portfolio by preventing me from buying and selling options. Please make it clear in any rules that you adopt that I will be able to trade options and that my broker can receive a transaction fee when I do so. If my broker is unable to charge a fee, he will not offer me the opportunity to trade options.

Thank You.
